MEMORANDUM FOR: Chairman
Support Procedures Committee

SUBJECT : Report of Accomplishments - Support Procedures
Committee

REFERENCE : Memo dtd 2 Nov 60 to DD/S fr Chrm, SPC, same
subject

1. I have read with care the referenced memorandum concerning the accomplishments of the Support Procedures Committee for the period August, 1959, through August, 1960, and am very pleased with the progress which this Committee has been able to make during its first year of existence. It is evident to me that it should continue its activities for the foreseeable future.

2. I am particularly interested in pursuing the "work in process." Some of the items listed as "in process" are very complex and extremely important to the future Support policies of the Agency. I look forward to bringing these to some final resolution during the next few months.

3. Please convey to each member of the Support Procedures Committee my sincere appreciation for their contributions to this effort during the past year.

15/
L. K. White
Deputy Director
(Support)
